SNAcargo Inc. invites you to "Shared Logistics" with Logitude

To: 

N

Hello 

Stephanie Loike from SNAcargo Inc. is sending you this invitation to connect to their operation system to check on your shipments

To view your shipments online, Please use the following:

Address: <http://system.logitudeworld.com>

Username: 

Password:  (you will need to change the password on you first login)

Logitude is the first true online Freight Forwarding software solution developed specifically for the cloud. Working in the cloud means you can access Logitude anytime, from anywhere , whether you are in your office, at home, or traveling. By using Logitude you can be updated on-line on your shipments, statuses, documents and more

For more information please visit us at www.logitudeworld.com

All participants of the tutorial will receive an email from no-reply@logitudeworld.com with their Username & Password.

The password is only valid for the first login and you have to change it afterwards.

If you do not receive an email, please check your SPAM-folder.

Login Online

- Please open any web browser like 
- For the first login and to setup the password, we recommend Firefox or Chrome
- Type in <https://system.logitudeworld.com> 

First Login

Set new password

system.logitudeworld.com

 **Logitude**
A CHAMP community solution

Current password:

Password:

Confirm password:

Your Password must have :

- 8 or more characters
- Upper & lowercase letters
- At least one number

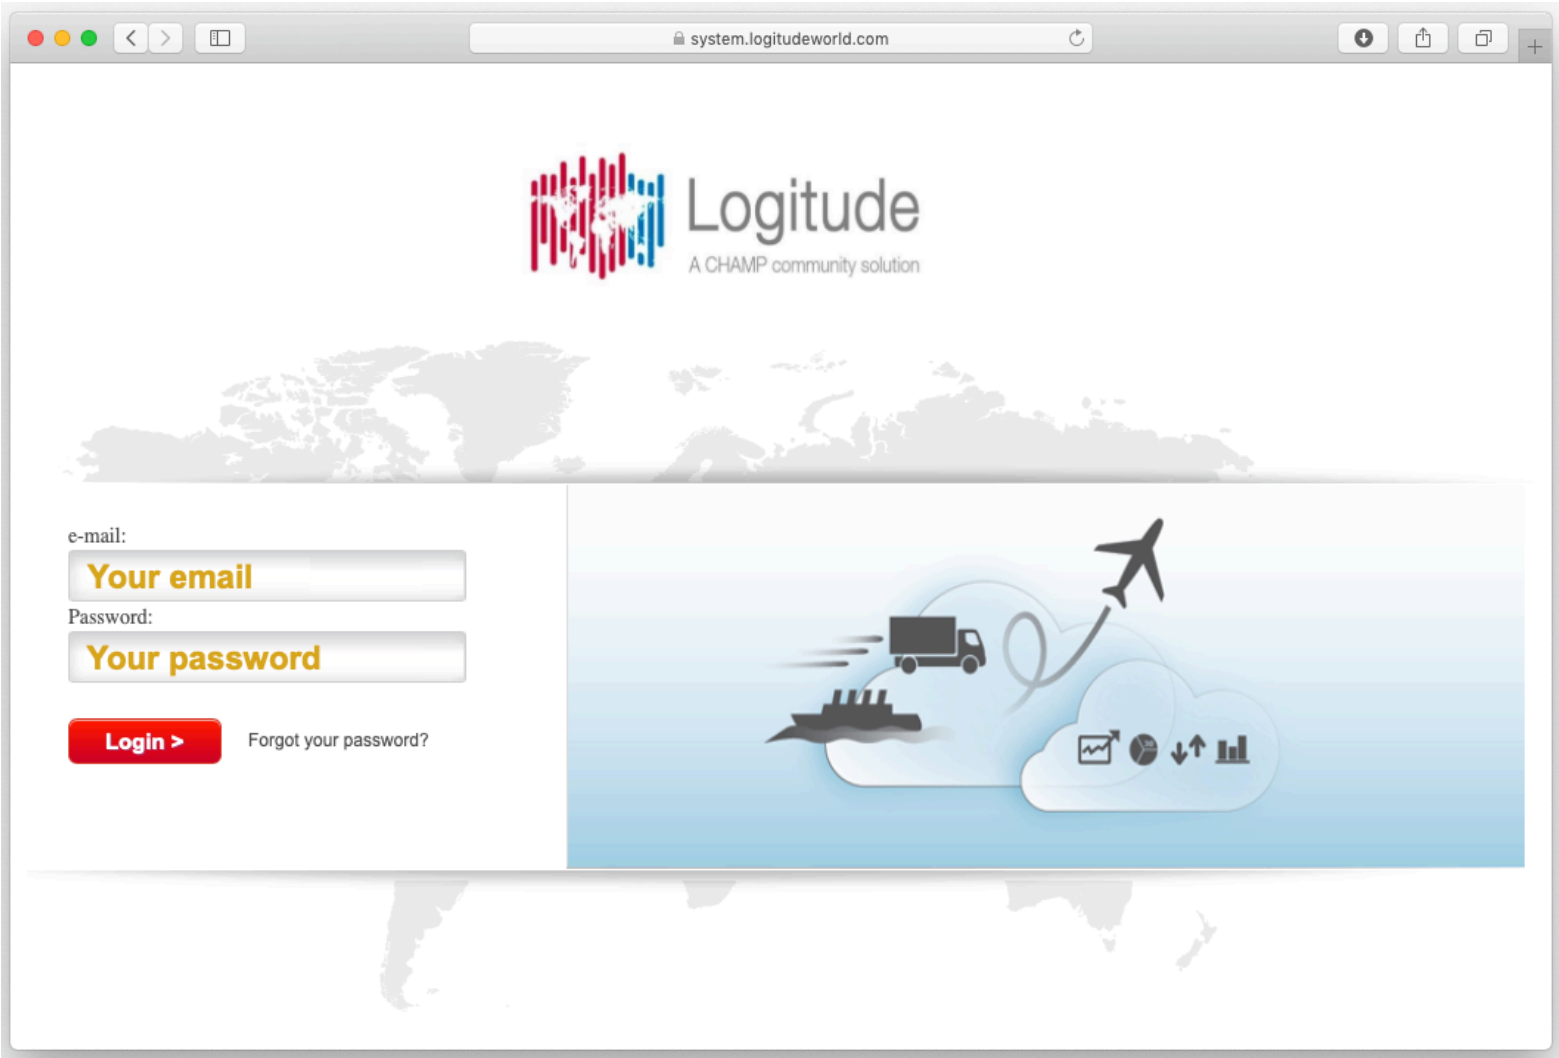

Submit >

First Login

Redirect to Login-Page

Optional: Login with more company views

Choose which company view you see

The screenshot shows a web browser window with the URL `system.logitudeworld.com`. The page features the Logitude logo, which consists of a stylized bar chart with red and blue bars, and the text "Logitude A CHAMP community solution". Below the logo is a faint world map. The main content area is split into two columns. The left column contains the text "You have more than one account, please choose which one you want to log in." followed by a dropdown menu with the text "Choose your company" and a downward arrow. Below the dropdown is a green button labeled "Continue >" and a link labeled "Back to login page". The right column contains a graphic with a truck, a ship, an airplane, and a cloud containing icons for a line graph, a pie chart, and a bar chart.

General View

Default-Views

The screenshot displays the SNAcargo web application interface. The browser address bar shows 'system.logitudeworld.com'. The page title is 'Shipment' and the breadcrumb is 'Shipment'. The main content area is titled 'In Progress (47)' and contains a table of shipment records. Each record shows the origin and destination, reference numbers, dates, and status. The table is filtered by 'All' and includes icons for search, refresh, and other actions. The footer of the application indicates it is powered by Logitude.

Ref No:	Origin	Destination	My Ref:	Date	Status	Master:	Service	Arrival/Departure
	Shanghai	Vancouver	SHA	01/12/2019 00:00	(Actual)		Autoparts	Arrived (CHI) Today
	Shanghai	Vancouver	SHA	01/14/2019 00:00	(Actual)		Autoparts	Arrived (CHI) Today

User and Log-Off

The screenshot shows a web browser window at system.logitudeworld.com. The page header includes the SNAcargo logo and the text "SNAcargo Inc.". Below the header, there is a "Shipments" tab and a "Views" sidebar with "In Progress" selected. The main content area displays "In Progress (47)" with a search bar and filter options. A yellow box highlights the user profile area, which contains a blurred user name, a blurred company name, and a power icon representing the log-off button. Below this box, a yellow banner contains the text "Your User", "(Your Company)", and "Log-Off-Button". The footer of the page includes the text "Powered by Logitude" and the Logitude logo.

View

The screenshot shows the SNAcargo web application interface. The browser address bar displays `system.logitudeworld.com`. The page title is **SNAcargo** SNAcargo Inc. The main content area is titled **Shipments**. A sidebar on the left shows **Views** with options for **In Progress** (selected) and **All Shipments**. The main content area displays a search bar for `Search partners / ports / ref.#` and filter options. A callout box highlights the **In Progress (47)** count, and another callout box explains the **In Progress** and **All Shipments** categories.

In Progress All shipments that are operational & accounting wise open (including delivered, but not yet invoiced shipments)

All Shipments All shipment of this customer

Amount of shipments

Filter

The screenshot shows the SNAcargo web application interface. The browser address bar displays `system.logitudeworld.com`. The page title is "SNAcargo SNAcargo Inc.". The main content area shows a "Shipments" view with a sub-view of "In Progress (47)". A search bar is present with the placeholder text "Search partners / ports / ref.#". A "Filter by:" dropdown menu is highlighted with a yellow box, and its expanded options are shown below it. The filter options are organized into two groups:

- Group 1: All, Air, Ocean, Inland
- Group 2: All, Export, Import, Drop, Domestic, Customs Import

Each icon in the filter menu is connected by a vertical line to a corresponding text label in a yellow box below it. The labels are: Air, Ocean, Inland, Export, Import, Drop, Domestic, and Customs Import.

Powered by Logitude

Search

Search partners / ports / ref.#

Filter by: All [Icons]

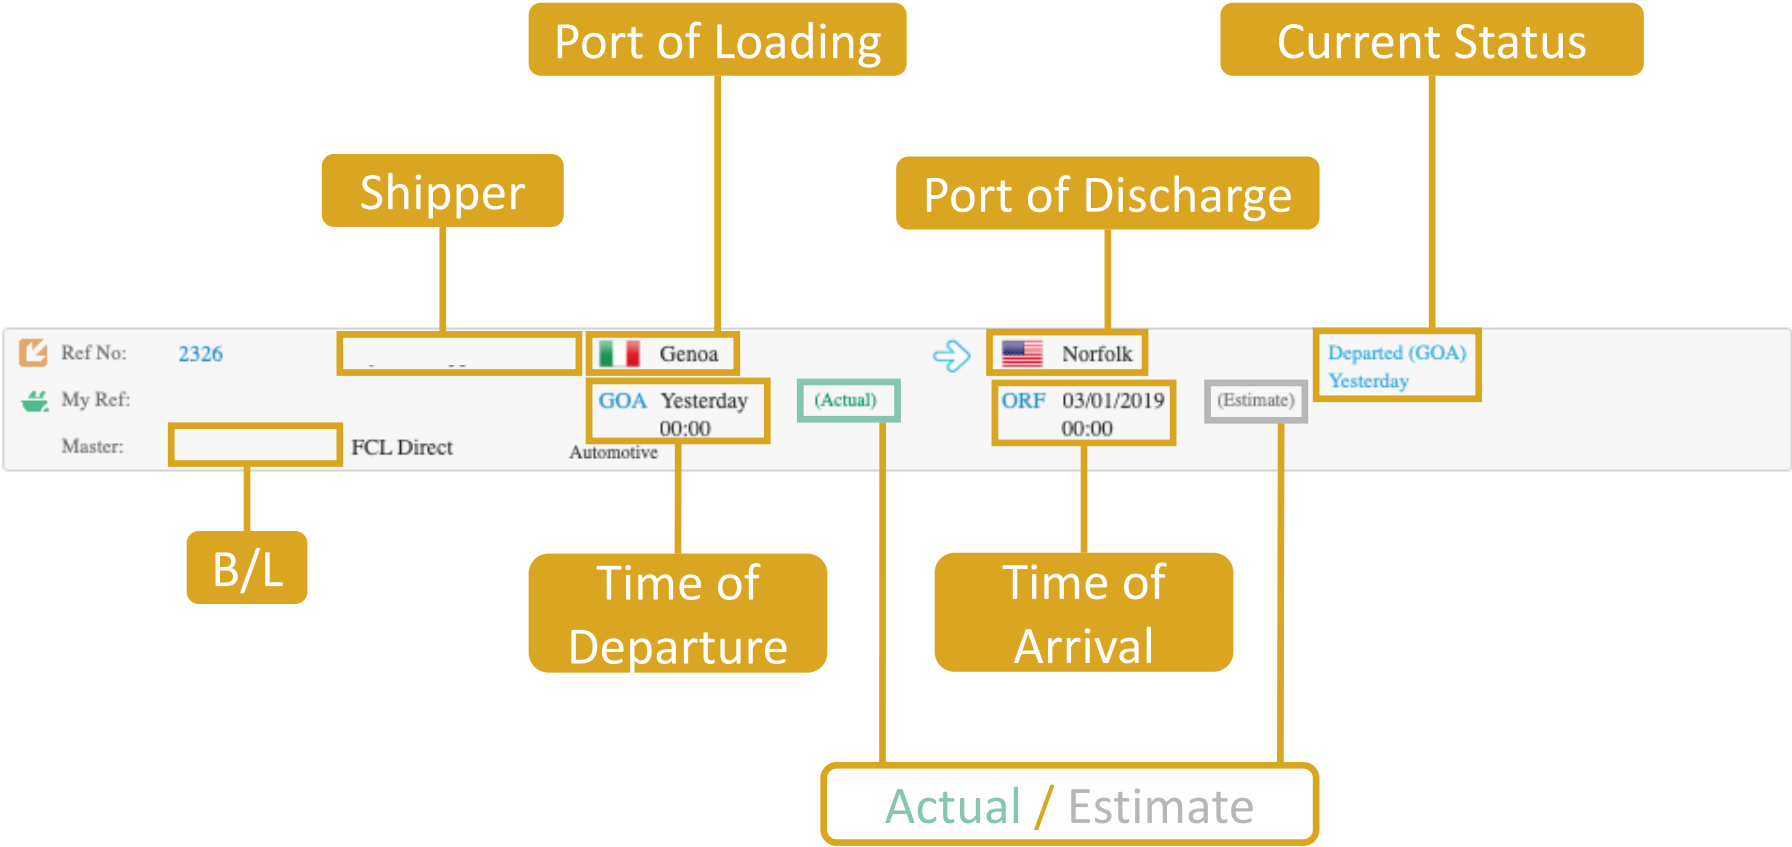

Search is possible for

- Bill of lading (B/L)
- Truck number
- Vessel name
- Container number
- Ports
- SNAcargo/Sintra reference number
- Partner
